

Customer Assistance Program (CAP) Application

At California Water Service (Cal Water), we care about our customers. We are pleased to offer our Customer Assistance Program (CAP — formerly LIRA) to those who meet the income guidelines below or participate in other assistance programs listed. The California Public Utilities Commission (CPUC) has approved CAP for Cal Water’s individually metered residential customers throughout California. Qualifying customers receive a fixed monthly discount equal to 50% of the 5/8 x 3/4-inch meter service charge.

If you qualify for this discount, please complete the application below and return to: California Water Service, Attn: Customer Service Department, 2222 Dr. Martin Luther King Jr. Parkway, Chico, CA 95928.

New and existing CAP applicants:
Please complete this form and return it to Cal Water at the address above. CAP is not retroactive; customers who qualify will begin receiving the discount in the month after application is received.

Note to existing CAP customers:
We are asking you to complete this form because CPUC rules require that customers who currently receive the CAP discount periodically certify that they still qualify for the discount.

Apply online at www.calwater.com/cap. For questions, please e-mail CAP@calwater.com or call toll-free 1-877-419-1701.

Program qualifications:

- The Cal Water bill must be in your name.
- You must live at the address where the discount will be received.
- Your household must meet the income guidelines listed below OR someone in your household must be enrolled in one of the public assistance programs described below.
- You must notify Cal Water if your household no longer qualifies for the CAP discount.
- Following enrollment, you may be required to provide proof of eligibility.
- You are required to recertify your eligibility every two years (four years if you can prove disabled/older (62+) status).
